What does Buy Local mean to you? Building our local economy is only a part of our mission. By supporting locally owned businesses, you help build a stronger community.

Buy Local isn't just Shop Local. By supporting local businesses, you support all of the people that contribute to our economy, our community and our quality of life. By supporting locally owned businesses, you contribute to fostering an environment for everyone in our community to feel connected by building relationships and knowing our neighbors.

Buy Local strives to contribute to this growth by providing this site for everyone to use. So check it out! Whatever it is you need, you can find it in the Greater Bangor Area! Keep our dollars in Maine, know your neighbors and help build a stronger community – Buy Local!
